

ALMERIA CITY EXCURSIONS

ALMERÍA: an easy walk to the city centre five minutes from the ship will lead you to the only fortress Cathedral in Spain. From there up to the Alcazaba, a X th Century Muslim Fortress with superb views of the city. Walking down to the city centre and shopping area will offer you the opportunity to taste our famous Tapas. Old streets with beautiful churches will lead you to the wide popular "Paseo" and "Rambla" from where to walk down to the port and the sea front. Enjoy Almería.

A PORT OF CALL IN THE SUN

Almería is a natural port with the best conditions for receiving cruise tourists. A modern port with all the facilities, surrounded by a relaxed city. Almería is a Mediterranean enclave, a world of contrasts where untouched beaches coexist with deserts and snowy mountain peaks. Castles and mosques, old churches and ancient winding streets.

We have prepared your visit. The Almería Cruise Product Club is working to make it possible. We propose your guests LIVE THE EXPERIENCE THAT OTHERS CAN ONLY DREAM OF. WE LOOK FORWARD TO SEEING YOU!
